

Distance

D /C /B

You are the beautiful lover

G-/Bb

My Lover

D /C /B

I am the distant shore

/Bb D

So far away

/C /B /Bb

There is so much to uncover

A7 /

Love's hiding

C9

What is this distance for

/ D B- E- A7 D B- E- G- /

What is it for

D /C /B

Out of the dark I am falling

G-/Bb I'm fallin'

D /C /B

Into your warm candle flame

/Bb

So bright

D /C /B /Bb

A butterfly pinned to love's calling

A7 /

Love's calling

C9

Why must this magic be named

/ D /

Must it be named

B- E-

We've filled the air

G- A7

With silent stares

B- E-

But still no one dares

E-7b5/Bb /

We are strangers

B- G

The sad jealous praise

E- G-

As the symphony plays

E- G- D /C /B G-/Bb

And we are the foolish arrangers
