And I want to learn all than I possibly can

CHORUS:

Because I don't know much

I don't know much, much about love

Out of touch

I don't know much, much about love

Baby when you kiss me will I see
That little wish list you've been keeping for me
I'm rushing like a fool, babe, 'cause I know
If they taught you this in school
You must have made the honour roll

If I can get this message through to your heart
It would be more than I can understand
No beginner ever skipped the start

And I want to learn more than I possibly can

CHORUS

----- SOLO ----- F#m E D A F#m C# D E

I graduated, baby, I can read
But the pages of the heart come difficult for me
I speak my mind girl, everyday
But the language of love
Well, I don't know how to say

CHORUS TWICE
