

ETHYLENE

Intro: D G |Csus2 | D G |Csus2 | D G |

I'm sitting on the toilet with my sunglasses on

D G Csus2

Wondering what you are up to

D G Csus2

This hotel's got bathroom telephones

D G Csus2

But I don't want to interrupt you You might be painting your nails with your hot curlers on Each one a different colour Listening to that Beach Boys sailing song Sloop John B or another

D Em Csus2

Ethylene, my Ethylene

D Em Csus2

My love for you is just obscene

D Em Csus2

My deer you dress, my fish you clean

D G

etc But you are nowhere to be seen, my Ethylene Well you could bag your limit with a bow and arrow Yeah, you could skin a cougar in the dark I thought we were walking down the straight and narrow How'd we ever drift so far apart? I took my eighteen wheels on this road to nowhere But you disappeared right up in the hills Like smoke up a chimney, girl, I go there Yeah in my dreams I visit you still Ethylene,.... Well some men will drive to the edges of nothing So they can take a peak at the great abyss Some men avoid love like it was a plague or something So they can leave the seat down when they piss I miss that crocheted thing you kept on the Kleenex box I miss my feet on your cold linoleum floor Sippin hot coffee after makin love till daybreak Well Ethylene a fool would ask for more Ethylene
