

God's Golden Eyes (John Hiatt -Crossing Muddy Waters 2000)

Strumming:

(u=up d=down d=hard strummed)

F and G DDDU (3/4)

C and Am DDUDU (3/4)

Intro: (F) (C) (G) (Am)

(F)We came through the(C)forrest
(G)Of jealousy and(Am)greed
All (F)our loved ones before(C)us
Gave(G) us everything we(Am) need
(F)To cross that great(C)river
Of(G)every tear was ever(Am) cried
till(F) we find ourselves (C)staring in(G)god's golden(Am)eyes
(F)In the desert love(C)waited
licking(G)salt water from her(Am)skin
(F)we could have been(C)sedated
for(G)all that we put(Am)in
(F)we thought it was some(C)devil
who(G) put the crying in(Am)goodbye
till(F) we find ourselves (C)staring
in(G)god's golden(Am)eyes
till(F) we find ourselves (C)staring
in(G)god's golden(Am)eyes
(F)And we did all we could (C)do(G)
(F)we couldn't run from me and(C)you(G)
(F)we did the bets we could(C)
no matter how hard we(G)tried
(F)Like babes we come(C)whining
for(G) some forgotten(Am)sin
(F)Suprised to be(C)shining
just(G)like diamonds in the(Am)wind
(F)Every facet so (C)perfect
and(G)every cut the proper(C)size
till(F) we find ourselves (C)staring
in(G)god's golden(Am)eyes
Till(F) we find ourselves (C)staring
in(G)god's golden(Am)eyes
