A E F#m E D  
I would have thought time would erase

I'll never get over you

A E F#m E D  
The feelin's lost in your embrace

E  
I'll never get over you

CHORUS:

D E  
But still I try

D E  
And still I cry

F#m E A D E  
Still I'm wonderin' why

A E F#m E  
I'll never get over you

D  
I'll never get over you

E  
I'll never get over you

I tell myself my heart will find  
A way to get over you  
'Cause I've already lost my mind  
Tryin' to get over you

The feeling's long  
The Voice goes on  
But still sweet sleep doesn't come

REPEAT CHORUS X 2

----- SOLO -----

So now I've met the enemy  
Trying to get over you  
A shroud of Rain, a memory  
Trying to get over you

I recognize  
Those crazy eyes  
And still they're telling me lies
