

Let's Give This Love A Try

G
Sometimes I don't like being where I am
C G
No matter what
C
I'd rather be in a barrel of kosher salt and pickle brine
G
With a thousand paper cuts

Em
I'm uncomfortable in my own skin you might say
Bm
Feeling my own guts
D
So tell me something about yourself sweetheart
G
Before I screw this whole thing up

G
You say you feel like a phony romancer
C G
Though you still believe in love
C
Make you feel like a dancer

Like you got all the answers
G
Leave you wonderin' what you were made of
Em
You don't see no chain mail hiding puppy dog tails
Bm
I've been sufficiently horrified
D
I got just enough left to wanna see what's next
G G7
Why don't we give this love a try

C
Let's give this love a try
G
All we can do is cry
D
Hang out your tears to dry
G G7
Let's try this love

C
Let's give this love a try
G

The sun's setting in your eyes
D
I'm all out of when and why
G
Let's try this love

I never met two people more likely to explode
Scattered, chopped, screwed, covered up and smothered into each other arms
Please forgive me my basic negativity
God help us both if you find it even part of my charm
By the way you swept me off my feet
With the gentleness of an angel flying by
I'm a long shot baby, but they do come in
Why don't we give this love a try

Let's give this love a try
All we can do is cry
Hang out your tears to dry
Let's try this love

Let's give this love a try
The sun's setting in your eyes
I'm all out of when and why
Let's try this love
I'm all out of when and why
Let's try this love
