

RIDING WITH THE KING

Intro: |: B | E A :|

I dreamed I did a good job and I got well paid

Blew it all at the penny arcade

A hundred dollars on a kewpie doll

I guess no white chick is gonna make me crawl

On a TWA to the promised land

Every woman, child and man

Gets a cadillac and a diamond ring

Don't you know we're riding with the king?

as intro

He's on a mission of mercy to the new frontier
He's gonna check us all on out of here
Up to that mansion on a hill
Where you can get your prescription filled

On a TWA to the promised land
Everybody come on and clap your hands
Don't you just love the way he sings
Don't you know we're riding with the king?

BRIDGE:

A red cape and shiny cold 45

I never saw his face but I saw the light

Tonight everybody's getting their angel wings

B

Don't you know we're riding with the king?

Well I stepped out of a mirror at ten years old
With a suit cut sharp, as a razor and a heart of gold
I had a guitar hanging just about waist high
I'm gonna play that thing until the day I die

We're riding with the king
Don't you know we're riding with the king
We're riding with the king
We're riding with the
Riding with the king
