

The River knows your name

[Capo 3]

D  
Oh the river knows your name

Bm A G  
And your tears falling like the rain

G A Bm G  
All around you suffering and pain

D A Dsus4 D  
Oh the river knows your name

D  
And the river hears you cry

Bm A G  
As the lightning cracks the open sky

G A Bm G  
As your Momma sings a lullaby

D A Dsus4 D  
Oh the river she knows why

[Instrumental]

D  
Let the river wash you down

Bm A G  
Beneath the surface with a rushing sound

G A Bm G  
Like a freight train passing through a town

D A Dsus4 D  
Let the river wash you down

D  
Let the river take away

Bm A G  
All the words you and I could never say

G A Bm G  
In the silence Darling let us pray

D A Dsus4 D  
Let the river take it all away

[Instrumental]

Oh the river she knows your name

Bm A G  
>From the Brazos to the Wabash to the Seine

G A Bm G  
No two journeys are ever quite the same

D A D G  
But the river knows your name

D A Dsus4 D  
Oh the river knows your name
