

What do we do now

CAPO 2

C

What do we do now

G

what do we do now

F

what do we do now

G C

what do we do now

C

when it's lying there with a busted heart

F G C

like a piece of glass where do you start

F G C

do we pick it up or say goodbye

F C G

is there one tear left for us to cry

what do we do now

what do we do now

what do we do now

what do we do now

what if i can't stay

what if you can't stay

what if i can't leave

what if you can't leave

what if i believed

every word you say

what if you believed

until today do

we call the kids

or call the cops

can you hold me 'till

this howling stops

what do we do now

what do we do now

what do we do now

what do we do now

gimme back my steel

gimme back my nerve

gimme back my youth

for the dead man's curve

for that icy feel when

you start to swerve

give us back the love

we don't deserve

cause we rode it long

we drove it hard

and we wrecked it

in our own backyard

what do we do now

what do we do now

what do we do now

what do we do now
