Intro : A Asus4

A / Asus4  
World is closin' in on me  
A / Asus4  
Don't know what to do  
A / Asus4  
Can't see the big picture anymore  
A / Asus4 A7  
If there's even one to view  
D / Dsus4  
Wife keeps pushin' buttons  
D / Dsus4 A / Asus4  
Spend all day starin' at a little screen  
E  
I'm feelin' invisible  
D / Dsus4 A / Asus4  
The blues can't even find me

Wish I had a name for feelin' nothin'  
Wish I still had my old address  
Where anyone could come on over  
And just put me in a mess  
Now I'm tellin' everybody  
When we'll be takin' our next breath  
Blues can't even find me  
Like we never even met

F#m  
She cried all the way to Memphis  
C#m  
With the kids in back  
D  
And only me to talk it out with  
A E  
Used to be like that  
F#m  
Now there's fifty people in the car  
C#m  
And the kids are grown  
D  
And I've heard her side fifty times  
A E  
Talkin' on her cell phone

Now we're just so lonely  
And there's no turnin' back  
It's virtually impossible  
But I can live with that

I wouldn't want in on this train wreck  
Wouldn't wanna be on this last date  
Now the blues can't even find me  
All I know to do is wait

E

Now the blues can't even find me

D

A

All I know to do is wait
