

Can Love Stand The Test

C5 C/B C5 Am7 Fsus2

C C/B C
Did I loose your love a long time ago
Am7 Fsus2
Or did i just wear it out? baby I don't know

G/B C Am7 F

C G/B C
seems like anymore we're not on the same page
Am7 F(add2)
In the same book, or on the same stage

C G C
We say the words, but they feel all wrong
Am7 F(add2)
Like a happy blues, like a sad love song
F Em Am
How two people can bow and scrape
F(add2) G
For every shred of tenderness

CHORUS:

C F
Can love stand the test
G
Of times that surround us
Am G
Memories that astound us
F
Joy and happiness
G C
Can love stand the test?

G/B C Am F(add2)

A long time ago, or was it just yesterday
why would we fall out of love? baby you can say?
Don't look at me like I'm stranger now
Have I changed that much? baby tell me how

How two people could bow and scrape
For every shred of tenderness

CHORUS

We said forever, for always for good
But the years were not impressed

Can love stand the test
Of time that surrounds us
Moments that astound us?
Can love stand the test
Of time that surrounds us

Moments that astound us?

Joy and happiness

Joy and happiness

Joy and happiness
