

Confidence Man

C#m7

Well, I lost you at the border,
When you crossed it.
Had your number, baby,
But I lost it.

F#5 E5

I know your love

F#5 C#m7

Was just a flimflam.

G#5

B5

Well, you can't pull the wool over me,
F#5 C#m7

'cause I'm a confidence man.

I can talk old ladies
Out of all of their money
I can talk young girls
Into calling me honey
You can talk all you want, baby
But I got fast hands.

You're a real soft touch,
But I'm a confidence man.

F#5

I know your mother

E5

F#5

Taught you how to bake a cherry pie

E5

And read a book

F#5 C#5

B5

C#5

Your daddy taught you how to tell a lie

B5

C#5

And not get shook

F#5

E5

F#5

Let me tell you somethin', baby

E5

You better learn,

F#5 G#m7

If you're gonna con the con man,

You're liable to get burned

Now, now, now,
We were stretched out on the floor, baby,
It's all elastic,
But you stretched it too tight and it snapped like plastic
And the pieces went flying across the badlands.

You're ????????????????????,
'cause I'm a confidence man.

Now, maybe Chicago
