D7

I guess old habits are hard to break

'cause even the good ones, they seem to go bad,

Might be the sweetest love that you ever had,

Ya just can't let em go for goodness sake,

I guess old habits are hard to break

The trouble with sainthood darlin', ya know it's tough comin' down,
But you been doin' it, doin' it, doin' it, doin' it, doin' it, since you left
your home--town,

A regular Joan of Arc, burnin' at the stake,

I guess old habits are hard to break

Bridge:

G7

Maybe the first time he kissed you the fireworks flew in the back of

D7

your mind,

A7

D7

But you been lookin' just to feel this good ever since,

G7

Now every time he makes love to ya,

You know he's just a little bit more unkind,

A7

Until it seems like every move you make is in self-defense

That ain't the facts of life, it's just bad fiction,

Add honey that sure ain't love, you know it's just an addiction,

How much more abuse, are you gonna take,

I guess old habits are hard to break

Break:

Could be your father, could be your mother,
Might be your sister, maybe even your brother,
Or is it your own self-babe, you been tryin' to shake,
I guess old habits are hard to break

D7 Vamp:

I guess old habits, are hard to break,
I guess old habits, are hard to break,
I guess old habits, are hard to break,

Outro lead and fade out....
