

Shredding the document

INTRO: C G Am Dm Am G
C G Am Dm Fm

C G Am
Oh what have you done with your life
Dm Am
Oh please don't tell me
G C F
Just shut up and go to work
C G
'Cause you're interrupting me
C G Am
I won't represent the U.S.
Dm Am
In the summer olympics
G C F
My character's questionable
C G
My life is a broken record

CHORUS:

C G Am
I'm shredding the document
Dm Am
I'm keeping my mouth shut
G C F
I'm running on radio silence
C G
I'm letting the record speak
C G Am
I'm shredding the document
Dm Am
The switchboard is lighting up
G C F
I'm not taking anymore calls
C G
Well maybe from larry King
C G Am
And I don't know who killed who
Dm Am
I'm having a sex change
G C F
To a woman who loves too much
C G
My sister's a petty thief

C G Am
I doctored the evidence
Dm Am
Yeah it was a cover up
G C F
I want to stay wrapped in my blanket
C G
And never get out of bed

CHORUS

SOLO

C G Am
All rumor and innuendo
Dm Am
An Eagles reunion
G C F
The 20th century's closing
C G
It's closing in on me
C G Am
You know what my father said
Dm Am
Well I'm not going to tell you
G C F
Some words that I try to live by
C G
It's none of your goddamn business

CHORUS

C G Am
I'm shredding the document
Dm Am
The switchboard is lighting up
G C F
I'm not taking anymore calls
C G
Well maybe from Oprah Winfrey
