

Take it down

C G D
take everything that we have
C G D
take it and burn it to the ground
C G D
some things were never meant to last
C G
take it down, down, down
D
take it down
C G
take it down, down, down
D
take it down
i'm still married to it all
that ain't no place to hang around
my love is 50 feet tall

take it down, down, down
take it down
take it down, down, down
take it down

C D
i've grown accustomed to the way
G C
you hurled us into space
D
i'll never make that trip
C D
tears all rusted on my face
G C
and i'm just an empty place
D
where your love used to fit
south carolina where are you
we were once lost and now we're found
the war is over, the battle's through
take it down, down, down
take it down
take it down, down, down
take it down
repeat
