

## When Something Is Wrong With My Baby

c:intro

[F]

[C]When something's wrong [Am]with my baby

[F]Something's wrong with [G]me

And [C]if I know [Am]she don't worry

[F]Still I would feel the same [G]misery

[Em]We've been through so much [Am]together

[Em]We've been as one, that's what makes it [F]better [F#dim]

chorus

When [C]something is wrong with my [F]baby

[C/G]something is [Dm/F]wrong with [Dm]me [C]

{end\_of\_chorus}

Just what, ahah, she means to me now

Oh, you just wouldn't understand, yeah

Now people try to say she is no good

But, oh, she's my woman, and I know I'm her man

If she treats her guy proper

I know I'm gonna help her suffer
