

ONE FOR THE ONE FOR ME

A Asus4 A Asus4 A Asus4 A Asus4

A E D A
Some women where passion like a most recent fashion
A E A Asus4
Some women want money for love
A E D A
Some live on wishes and some do the dishes
A D E D E A
And you are the woman that I'm thinking of

CHORUS:

D E A F#m
So it's one for the one for me
D E F#m7
One for the stars up above
G D D C#m7 Bm7 A
One for the night and one for the light
A D E D E A Asus4
And one for the woman who gives me her love

A E D A
My life is a curtain - the next scene's uncertain
A E A Asus4
The actor is lost in his role
A E D A
The lady is waiting - the man hesitating
A D E D E A
And lovers are children afraid to grow old

CHORUS

A E D A
Ashes to ashes the emptiness crashes
A E A Asus4
The dreamer wakes up in the dream
A E D A
Your journey of sorrow runs off with tomorrow
A D E A
And rainbows are cluttered with things as they seem

CHORUS

The verses are played on the fifth fret with an open A string. The E and D slide down from there with the A string still open. The song is in $\frac{3}{4}$ time.
